# INTRODUCTION

This year the European Broadcasting Union has decided to go on with the Junior Eurovision Song Contest in the middle of the unfavourable situation and after the cancellation of the Eurovision Song Contest 2020.

Despite the difficulties resulting from the COVID-19 global pandemic and, as the tradition since 2003, when the first edition took place in the Danish capital city, the 18th Junior Eurovision Song Contest will air on 29th November.

Warsaw, the capital of Poland, will host Junior Eurovision 2020 following the victory of Viki Gabor with the song 'Superhero' at the 2019 edition in Gliwice-Silesia. It will be the first time the junior contest will take place in the same country in two consecutive years. TVP, the host broadcaster, had been considering several options before the COVID-19 pandemic hit the world, among which we should mention the enormous Tauron Arena in Krakow or a bigger venue in the capital itself.

Although this year's Junior Eurovision will be held in the host city, the contestants won't get together to perform live on the day of the final. All performances will be broadcast pre-recorded to preserve the health of the people involved. The EBU and TVP gave the broadcasters two different options to ensure all the contestants will have an equal chance at the contest. They could either choose to record the performance in their own countries hiring their equipment or travel to Poland to do so with TVP.

Each participating broadcaster will try to use the same equipment and production techniques to ensure all the contestants will play at the same level on stage. Moreover, the EBU will work close to the broadcasters to make sure the participants stay connected in some way by sharing their experiences and performing together.

12 countries will take part in the Junior Eurovision Song Contest 2020:

	Belarus <b>#BLR</b>		Poland <b>#POL</b>
	France <b>#FRA</b>		Russia <b>#RUS</b>
	Georgia <b>#GEO</b>		Serbia <b>#SRB</b>
	Germany <b>#GER</b>		Spain <b>#ESP</b>
	Kazakhstan <b>#KAZ</b>		The Netherlands <b>#NED</b>
	Malta <b>#MLT</b>		Ukraine <b>#UKR</b>

# ABOUT THE CONTEST

Compared to previous editions, the contest has undergone some changes, especially when it comes to the number of participating countries. The most exciting change in this the 2020 line-up is Germany, that will participate in Junior Eurovision for the first time. Sadly, we won't be seeing Australia, Albania, Armenia, Wales, Italy, Ireland, Portugal and North Macedonia competing this year due to the situation happening around the world, but most will compete again in 2021 if the situation normalizes.

Armenia was included in the official list of participants but at the beginning of November it withdrew from the competition due to the Nagorno-Karabakh war with its neighbor Azerbaijan.

The contest has modified its starting time as it will be broadcast one hour later, at 17.00 CET while the voting procedure will remain the same with minor changes. As in previous editions, the winner of the Junior Eurovision Song Contest 2020 will be selected by the public via online voting, and the professional jury made up of kids and adults, after two voting rounds. However, this year, the public will only be able to vote for three songs instead of three to five.

The first phase will open on Friday 27th November and will close on the 29th when the show starts, at 16.59 CET. When all the countries finish performing at the final, the voting will be open again for 15 min. At the voting window, you will be able to vote for three countries including yours.

Martin Österdahl, Executive Supervisor for the European Broadcasting Union said: "Bringing families together is a core mission of public service media and as we reimagine the Junior Eurovision Song Contest for the times we currently live in we are committed to ensuring that everyone taking part this year, from the young singers around Europe to the audience at home, enjoy a positive and unifying experience, we are grateful to all our colleagues at TVP for rising to the challenge of producing an ambitious live international TV production that will travel the world as well as "Move the World".

## SLOGAN & LOGO

The Junior Eurovision Song Contest 2020 will take place under the motto 'Move the World'

"The creative concept behind the slogan is that, as children, we mistakenly believe all important things are done by renowned people: scientists, astronauts, athletes and actors. We want to become them because, in our eyes, they are the ones moving the world. But this is not the case: every day, millions of people around the world perform their day-to-day duties with capability and care. Together, they are the ones really moving the world. This year's slogan honours the collective power we hold together.

"The events of recent months have shown us all the value of unity, kindness and cooperation," said Maciej Łopiński, Acting President of TVP.

"Big musical projects, such as the Junior Eurovision Song Contest, have great value because they bring optimism and hope. The slogan of this year's Junior Eurovision, 'Move the World', underlines the necessity of taking positive actions for the common good. One such action is the Junior Eurovision Song Contest. I am glad that TVP, after the success of last year's edition, was chosen again as the host and organizer of this incredible musical event.", she added.

## STAGE

The author behind the stage design for this year's Junior Eurovision Song Contest is Anna Brodnicka, who was inspired by the circle and its connection to our lives. The stage will have spherical and round shapes displayed on big multimedia surfaces, and light devices that will allow the audience to identify the contestants. Moreover, the show will have several new technical elements never used and augmented reality.

"The circle has always been a symbol of perfectness, life and unity," Anna said. "We move around the circle of life... We all experience many changes during this journey: Starting as children, then becoming a teenager and finally moving into adulthood." She believes that the circumference of the circle represents the circle of life that is all around us and the centre of that circle is what is shared by all the living creatures that are equally important to us.

As in the last two editions of the Junior Eurovision Song Contest, three will be the presenters to guide us on the way to Warsaw 2020, Ida Nowakowska-Herndon, Rafał Brzozowski and Małgorzata Tomaszewska. All three have television experience in live shows and competitions and are fluent in front of the cameras, which is why they have been entrusted with this tough but rewarding task of entertaining European viewers on November 29.

## LYRICS:

*Бежим по тонкому льду, отставая на час.  
Ждем огненной бури, здесь и сейчас.  
Любить, верить и ждать можно без прикрас.  
Нам надо быть рядом,  
Надежда на нас!*

*Припев:*

*Небо плачет, но мы слепые пришельцы.  
Верим только в удачу!  
Солнце устало!  
Ария Света мажорный лад потеряла!  
Его и так мало.*

*Одинокие гости на шумной Земле.  
Смысл трудно искать, говоря о добре.  
Рисуем, дарим цветы на прозрачном  
стекле,  
Мир в наших ладонях! - скажем сами себе.*

*Sky - is crying,  
But we are blinder aliens.  
We believe . We are lucking  
Sun is tired.  
But we can get up lights,  
Get the world to desired...*

*Обычные люди, реальные истории  
Пустые прогнозы, неожиданные спойлеры  
No storm but the sky is crying...  
Звонит будильник, но время врет.  
Небо плачет, день идёт  
Диссонансы будут не в счёт,  
Если смазать финальный мажорный аккорд*

*We can bright, we can shine in the night.  
We are climbing up to the height.  
We will save together,  
Storm is not good weather  
We can! Save this!  
World...*

*Небо плачет, но мы слепые пришельцы.  
Верим только в удачу!  
Солнце устало!  
Ария Света мажорный лад потеряла!  
Смотри светлей стало!*

## LYRICS:

*(Nana nanana), (Nana nanana) (x2)*

*Oups, y'a plus de fleurs au balcon  
Flûte, elles ont fané sous mes doigts  
Oups, c'était pas la bonne saison  
Mais le printemps reviendra*

*Oups, j'ai rêvé qu'on était plein  
À repeindre les murs de nos villes  
Et laisser l'empreinte de nos mains  
Pas que sur nos écrans tactiles*

*J'y peux rien je suis comme ça  
C'est plus fort que moi j'y crois  
Les n'y crois plus, les n'y crois pas  
C'est pas pour moi*

*Tout commence par un « J' imagine »  
Dans un coin de la tête  
Un rêve qui soudain se dessine  
Que plus rien n'arrête  
Dis-moi toi ce que t'imagines  
Chante-le à tue-tête  
Passe le message à ta voisine, Hey*

*Moi je suis prête  
Lalalalalalalalala, J' imagine (x2)  
Lalalalalalalalalala, J' imagine, J' imagine  
Lalalalalalalalalala  
Moi demain j' imagine*

*Oups, j'ai imaginé un monde  
Où on se serrait dans les bras  
Pour faire la plus belle des rondes  
Une danse entre vous et moi*

*Go y'a toujours quelque chose à faire*

*Même en plein milieu du salon  
Sur nos écrans les mains en l'air  
Pour faire la revolution*

*J'y peux rien je suis comme ça  
C'est plus fort que moi j'y crois  
Les n'y crois plus, les n'y crois pas  
C'est pas pour moi*

Lalalalalalalalalala  
Moi demain j' imagine*

*Alors, c'est vrai  
C'est pas toujours la joie  
Dans nos cœurs c'est  
Un peu comme un combat  
Et toi demain  
Toi tu fais quoi  
Imagine avec moi*

*Lalalalalalalalala, J' imagine (x2)  
J' imagine, Lalalalalalalalalala (x2)  
J' imagine*

*Oh, moi demain j' imagine, (x2)

*Навсегда хочу остаться

Где мечты цветные снятся  
И добротою мир согрет.  
К небывалым вершинам ступень –  
Мой новый день!*

Сам поймет, как это важно -  
Сделать лучшим каждый миг свой и час.*

К новым высотам  
Держим свой путь. (о-о)  
И с верной дороги  
Мне не свернуть.*

*To the light of stars that sparkle,  
Where in the night, dreams are colored bright,  
To the clouds so soft and subtle  
One step ahead – go! Touch the skies!  
The whole world feels like home; there I'll stay,  
It's my new day (oh-oh-oh-oh)  
Here's my new day!*

When he was 6, he enrolled in the Mokranjac Junior Music School in Belgrade and only one year later, he composed his first piece called I Run Fast. During his education, Petar performed at numerous concerts and contests where he won several awards.

In addition to music, Petar is also a fan of history, geography, languages and sports. Besides singing and playing the piano, he practices rowing and he would recommend this sport to everyone "because of the calming effect of the water and the fact that rowing helps develop both physical and mental strength." He likes to be around positive, cheerful, extrovert and funny people.

Petar is very excited to represent Serbia: "It is a great challenge and an excellent opportunity to showcase my talent and represent my country in the best possible way."

## LYRICS:

*Otkucaj (Heartbeat)  
Da li, da li, da li kad se sretnemo  
Pomisliš što i ja,  
Kako se na nebu Sunce raširi,  
Zemlja zaustavlja.*

*Zastane vreme,  
Stane i sat,  
Prekine vetar let,  
Samo se čuje otkucaj tek,  
Tiho dok se vrti svet.*

*I jasno da smo ti i ja  
Jedan deo istog nemira.*

*Kako da ti pridjem,  
Da zadržim dah.*

*Jasno da smo ti i ja -  
Jedan deo istog svemira,  
Mi smo kao zvezde,  
Našeg tihog mjuzikla...  
Da li, da li, da li kad se sretnemo  
Prekine vetar let...  
Samo se čuje otkucaj tek,  
Tiho, dok se vrti svet.*

*I jasno da smo ti i ja  
jedan deo istog nemira.*

*Kako da ti pridjem,  
Da zadržim dah,  
I jasno da smo ti i ja -  
Jedan deo istog svemira,  
Mi smo kao zvezde,  
Našeg tihog mjuzikla...  
Kao da se ljute,  
Koraci začute  
Trena ovog čarobnog.*

*Otkucaj se čuje  
Srca mog i srca tvog.*

*I wonder if you hear it too,  
Not a whisper am I letting through.*

*We're single heartbeat  
Life has torn in two.*

*I wonder if you feel it too,  
But you hear it deep inside of you  
Pounding out a rhythm  
We are moving to.*

Siempre palante  
Tira  
Tira siempre palante*

*Cuando las cosas no salen como uno quiere

Hasta que no puedas tira palante  
Palante  
Tira palante  
Hasta que no puedas tira palante*

Por todos los que te rodean  
Los miedos sácalos afuera  
Para y dame una sonrisa*

*Saca to' lo malo  
Sácalo pa' fuera  
Aquí to' el mundo  
Bailando a su manera*

Muévete p' atrás  
Que con buena cara  
Todo va a pasar*

Si vas a hacer  
Como yo

Lerele vamo' a cantar  
Ti, ti, tira  
Lerele vamo' a bailar  
Y no, no vamo' a parar  
Lerele vamo' a cantar  
Ti, ti, ti, tira Palante*

## LYRICS:

*When you're giving something  
To who's asking for  
Well, you should keep on going forward to  
change this world  
Oh, were they right?  
To survive any sorrow  
You have to be full of  
You have to be full of  
Love...*

*Відкривай!  
Сяйво своє сій!  
Серце відкривай!  
Давай засвіти усім!  
Це той самий момент, це та сама мить,  
Коли твоє серце шепоче тобі,  
Давай!  
Відкривай!  
Хитає човен,  
Лякає дно,  
Та ти аргонавт, який знайшов своє руно!*

*When I was blind  
I kept on going  
And heard it calling, calling*

*Відкривай!  
Сяйво своє сій!  
Серце відкривай!  
Давай засвіти усім!  
Це той самий момент, це та сама мить,  
Коли твоє серце шепоче тобі,  
Давай!  
Відкривай!  
(Сяйво своє сій)  
Ти відкривай!  
(Давай засвіти усім)  
Той самий момент, це та сама мить,  
Коли твоє серце шепоче тобі,  
Давай! Давай! Давай!  
Відкривай!  
Це той самий момент, це та сама мить,  
Коли твоє серце шепоче тобі,  
Давай!*

*Open up!*
